OPERATING MILLAGE PROPOSAL

This proposal will allow the school district to continue to levy the statutory rate of 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its revenue per pupil foundation allowance.

Shall the limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in AuTrain-Onota Public Schools, Alger County, Michigan, be increased by 18 mills (\$18.00 on each \$1,000 of taxable valuation) for the year 2012, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and levied in 2012 is approximately \$77,791 (this millage is to restore millage lost as a result of the reduction required by the Michigan Constitution of 1963 and will be levied only to the extent necessary to restore that reduction)?
